**Job Status Note:**  
Pursuant to Florida Statute §61S-30.003 These drawings are preliminary and not in final form but are being transmitted to the public agency to receive agency reviews, comments and interpretations. The documents may be subsequently revised by the engineer to reflect resolution of issues with the public agency prior to final action by the agency. Changes, revisions and modifications to the project may prompt additional document submittal for agency approval action on the same project.
