**RE: Insubstantial Change to Site Improvement Plan PL20190000505
Amigo's Plaza**

Dear Ms. Willoughby:

The purpose of this submittal is for the review and approval of the above referenced plan. Please note in the email requesting the change I mistakenly thought it was Units A and B; however it is only Unit A. The changes to the plan are outlined below and have been clouded in this set of plans:

1. The addition of a 4' high chain link fence over a portion of the parking area in the rear of the building associated with Unit A; Little Hands Day Care.

Included with this submittal are the following documents:

1. The completed SDPI Application.
2. The completed Addressing Checklist.
3. Email from yourself allowing the submittal as an SIPI.
4. Site Plan showing new fence location and updated parking calcs, clouding changes.

Should you have any questions, or I may be of further assistance, please contact me at our office.

Very truly yours,

Sandra L Bottcher
